AGENDA ITEM:

Create a Parks and Recreation Commission

BACKGROUND / SUMMARY:

Currently there is no formal commission for the Parks and Recreation. I am recommending the commission be composed of five qualified voters of the town appointed by the council. Four members should be from the town at large and one member from the council. Their duties would include but not limited to planning town areas set aside for parks and recreation; conducting a workable programs of town-wide recreation, and submitting annually a list of recommended capital improvements for parks and recreation purposes.
